De La Salle Collegiate High School is an all boys, private Catholic High School, conducted by the Brothers of the Christian Schools. The school was founded in 1926.

De La Salle is located in Warren, Michigan, a Detroit suburb located in Macomb County. The school offers a college prep curriculum. De La Salle's athletic teams are called the Pilots, and nearly every team is part of the Catholic High School League (CHSL), operated by the Archdiocese of Detroit.

Interested students are invited to contact the Admissions Office for application information, as well as information regarding financial aid and tuition.

The Christian Brothers Auxiliary (CBA), often affectionately called the Moms' Club, is built on traditions that date back 88 years when the founding women met to meet the needs of the Christian Brothers who were here to educate the young men in the Detroit area. From that time in 1926, the CBA has expanded its mission to include fundraising events to support the needs of the school and its students. The CBA is proud to have contributed nearly \$2 million since 1982. Just as in the past, the CBA today is made up of many dedicated women, from new recruits and freshmen moms, to the more experienced members who stay on long after their sons have graduated. The CBA meets monthly during the school year. The wonderful feeling of accomplishment and the rewards of many lifelong friendships are only two of the reasons that members enjoy being part of the CBA.
